THIS IS PART OF WORLD RENEWABLES ENERGY CONGRESS

Chairman's Welcome

This is the fourth WREN-WREC Med Green Forum and the second one to be held in Florence, City of art, culture and beauty, teaming with ABITA from University of Florence and ETA from Renewable Energy Florence.

Prof. Ali Sayigh
Chairman of Med Green Forum

We have received 87 contributions from 50 countries and 33 students' posters entries. We will also have presentations from 24 well-known Italian industries and 3 State and one Private Enterprises, from the Peoples Republic of China with nested over 9.000 related industries on the Environmental and sustainable built environment field, which has been coordinated for a full Streaming https://www.youtube.com/watch?v=7lZv_whOzFM

The three Organizations: WREN, ABITA and ETA are working together to highlight the importance of sustainable buildings and renewable energy especially in regions of abundant sunshine.

I would very much like to thank all the sponsors of this event, especially ISESCO and SPRINGER and other Italian companies (Cofindustria, ANCE, Dobe Group, Berni Store, Rossi Celso, An Eco and Colorobbia) and authorities. I very much like to thank the various committees for their hard work and commitment and the University of Florence in letting us use their facilities during the summer vacation.

On behalf of my colleagues, Professor Marco Sala, Ms Angela Grassi and I, we wish you all the success in delivering your scientific work at the Forum and having a rewarding experience in networking and meeting new friends.
